END OF REPORT

Note: This report details results only for the specific items tested, not a general endorsement of the product. This report is confidential and cannot be reproduced without our lab's approval. You are assumed to have provided the samples for testing, unless otherwise noted. We typically hold non-perishable samples for 15 days after the report is issued. Perishable items are discarded immediately. This report is for informational purposes only. Our lab is not liable for any consequences of using this information. Liability is limited to proven negligence and capped at the testing service cost.
